

THE BOOK FOR JUNE

Located in the Parish Library. "Various" - Spine Number: 32

IN THE HANDS OF GOD

BY

William Barclay

This is a collection of short stories, delightful pictures of ordinary daily life, with a meaning and with the author's Christian reflection on them. In each story we encounter many remarkable characters, in trains, in the streets, teachers, next door neighbours and the ordinary people all of us meet every day. We learn not to be deceived by appearances and to take a fresh look at our own lives and the people in them.
